From Terence L. Julian

November 14, 1984

SUBJECT: Tax Adjustments
File: J.06.02.05

CIA Nov 21/84

ORIGIN: Section 496 - The Municipal Act

COMMENTS: Several applications for cancellation, reduction or refund of taxes have been prepared for Council's consideration on Wednesday, November 21, 1984, at 9:15 a.m.

Council may reject an application, cancel or refund the taxes as the case may be. The Municipal Act provides for an appeal by the applicant to the Assessment Review Board from the decision of Council or where Council refuses to hear or dispose of an application regarding the above mentioned matters.

The total reduction in taxes as recommended is \$896,728.08. This amount may be misleading as the Company name in some instances has changed, and so as to ensure proper liability, taxes levied under the old name have been cancelled. The Assessment Department will issue a Supplementary Assessment under Section 33 of the Municipal Act to the new name under which the business is being operated. In other instances, cancellation of taxes are for properties which have become exempt by reason of conveyance to the City for parkland under development agreements.

RECOMMENDATION:

That the recommendation as shown on pages 1 to 29 inclusive of the 496 listing dated November 21, 1984, of applications for Tax Adjustments under Section 496 of the Municipal Act be adopted.

Approved by:
City Manager

Terence L. Julian, A.M.C.T., C.M.C.

MEMORANDUM

To Mayor & Members of Council

From D J Bray

Dept. _____

Dept. Personnel

15th November 1984

CIA Nov 21/84

Ladies & Gentlemen:

SUBJECT: C U P E, Local 66 - Negotiations

COMMENTS: On 6th November 1984, the City and C U P E, Local 66, met for the sixth time this year for the purpose of negotiating a new collective agreement.

The parties had previously met on 28th September 1984 at conciliation without any success at all in resolving any of the outstanding issues.

At the meeting, two major issues remained to be resolved along with two or three minor items. The main issues included Lieu Time and Pension and both were fortunately resolved. However, as they have stated on many occasions in the past, the Union said that it was their clear intention in 1985 to effect a change to their pension plan by requesting the provision of a supplement for past service (Type I OMERS). The City's Negotiating Team told the Union that Council would again be advised of their concern in this regard, and also agreed to form a joint committee to discuss the issue outside of negotiations.

Subsequently, the parties signed a Memorandum of Agreement, a copy of which is attached.

On 14th November 1984, the Union presented the terms of the Memorandum to their membership and it was ratified.

COMMENTS: The proposed settlement is for one (1) year from 1st May 1984 to 30th April 1985. The settlement generally, provides a 4.91% increase in wages for all bargaining unit employees and raises the rate for a Labourer from \$9.55 to \$10.02 per hour.

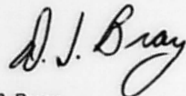

In addition, the City agreed to provide the 1983 ODA Fee Schedule of Benefits on the Dental Plan effective upon ratification; increase the Clothing Allowance by 5% or \$6.25 per year; increase Shift Premium by 5% and provide a 10% per hour adjustment to the Heavy Equipment Operators rate.

The total compensation increase for the settlement is 4.869%.

RECOMMENDATION:

Whereas, C U P E, Local 66 and the Corporation of the City of Mississauga have entered into a Memorandum of Agreement, dated 6th November 1984, we recommend that a resolution be passed by Council ratifying the terms of the Memorandum of Agreement.

Respectfully submitted

SUBJECT: Construction of part of a minor building addition in the floodplain of the Etobicoke Creek on the north side of Dundas Street East.

ORIGIN: Engineering and Works Department

COMMENTS: The Engineering and Works Department is in receipt of a site plan for a minor building addition to a commercial building owned by the General Mills Restaurant Group Inc. to the Red Lobster Restaurant (formerly The Three Crowns Restaurant) located on the north-east corner of Dundas Street East and Southcreek Road.
